Coach pitch from 40' — GAME REPS

- **6 pitches MAX per AB**

Positions: SS • 2B • 2 OF

Use cones to create bases.

Work On:

- OF attacking & fielding the ball
- SS/2B getting into cutoff position
- OF hitting the cutoff
- Catch → turn → throw
- Communication
- Knowing which base to throw to

Mix in:

- Balls directly to SS/2B
- Balls through the IF to OF
- Different OF locations
- Throws to 2B / 3B / Home

KEY: Ball gets past you → your job isn't over. **Become the cutoff!**

STATION 3 — INFIELD / GAME AWARENESS

1 Coach | Outfield Mini-Diamond

Primarily: **P • 1B • 3B • rotating runner/fielder**

Situations:

- P → 1B
- 3B → 1B
- 1B fields / gets out
- Ball between P & 1B
- Force at 3B
- Runner on 1B
- Runner on 2B
- Runners on 1B + 2B

Before hitting:

“RUNNER ON FIRST — WHERE'S THE PLAY?”

Get the answer → hit the ball → execute.

As they improve, stop giving them the answer and make them recognize the situation themselves.

KEY: Field it → Look up → Know the play → Make a decisive throw.

7:40–7:55 | TEAM DEFENSE / SITUATIONAL SCRIMMAGE

Everyone back on main diamond

- Put defense on field
- Remaining players = hitters/runners
- Coach creates game situations
- Call out runners + outs before each ball

Example:

“ONE OUT — RUNNERS ON 1ST & 2ND!”

Hit the ball and **let them make the decision.**

Correct mistakes quickly → reset → next rep.

Focus: Communication, knowing the play, backing up throws & applying station work to the full field.

7:55–8:00 | FLAME BALL CHALLENGE

Radar Gun — Fastest STRIKE Wins

TONIGHT'S BIG 3

1. **Game-quality ABs from 40'**
2. **Know where the play is BEFORE the ball is hit**
3. **Communicate — talk to each other!**
